Steps in the Person Centered Planning Process

1) Assemble the Team
2) Create basic MAPS
3) Choose and create optional MAPS
4) Determine Needs
5) Identify and Prioritize goals
6) Identify resources and support
7) Develop Action Plan(s)
8) Monitor progress (Keep things moving)
9) Re-assemble all or part of team as needed
10) Review/revise MAPS when things change

And don’t forget to . . .
Celebrate Success Along the Way!
